MLK STUDIO AND JACKSON PAIGE INTERIORS  
WEST HOLLYWOOD, CA AND DALLAS

To craft a grand entrance worthy of a Kips Bay Decorator Show House, MLK Studio and Jackson Paige Interiors designed an entry in conversation with the home's new charcoal-color exterior, drenching wood trim in Benjamin Moore Graphite 1603 and papering walls with bespoke Ink Blots and Synergy wallpaper from Porter Teleo, and Zoffany paper for entry ceilings from Sanderson Design Group.
